1. Photography
2. Videography
3. Creative Editing
4. Graphic Design
5. Motion Graphics

## OBJECTIVE

To become a renowned visual storyteller by creating impactful and innovative video content that captivates and engages audiences. I aim to achieve this by mastering advanced filming techniques, exploring cutting-edge editing software, and continuously honing my skills in lighting and sound design. By building a diverse and impressive portfolio, collaborating with other talented professionals, and staying updated on industry trends, I aspire to produce high-quality videos that not only meet client expectations but also leave a lasting impression on viewers.

# EDUCATION

While everyone might have a different definition of education, its importance remains undisputed. By receiving a systematic education, people gain knowledge and develop skills and character traits crucial for a certain standard of life and this is how I did that by finishing my basic level through to my tertiary level.

## DIPLOMA - Creative Media Institute

### Master in Cinematography and Motion Graphics (2018-2019)

At this creative tertiary institution, I was able to equip myself and enrich my skills in cinematography, creative editing and Graphics both Motion and Still.

## CERTIFICATE - NIIT Computing Training School

### Adobe Certified Associate (2017)

I gained a certificate in Adobe by undergoing a training that helped me understand the different softwares Adobe has and the role each of them plays and how I will be able to find the best software that works for me.

## WASSCE - Great OSSA Senior High School

### Senior High School Level Education (2013-2016)

This is where I gained my senior High school level education after completing my basic education.
